CARLISLE YOUTH ZONE

Carlisle Youth Zone opened its doors in April 2011. Since opening, it has welcomed over 10,000 young members who have made nearly a quarter of a million visits! The Youth Zone has delivered thousands of hours of vital youth provision and provides a wide range of universal and targeted youth services for the benefit of thousands of young people across the City.

Carlisle Youth Zone offers young people a safe and fun environment where their potential of young people is developed and fulfilled. It offers 'somewhere to go, something to do and someone to talk to' on an incredible scale. Through this we transform young lives for the better, helping them see what they could achieve, and giving them the skills, confidence and ambition to go for it.

Carlisle Youth Zone is a high quality, inspirational and well-run charity, employing approximately 40 staff including exceptional youth and activity workers and an army of around 40 volunteers. It changes the lives of many thousands of young people each year - delivering social impact on an incredible scale.

The facilities are second to none, delivering sporting, artistic, cultural, and general recreational activities each session - whenever schools are closed - that's evenings and weekends, plus all through the school holidays.

Carlisle Youth Zone is a proven model of youth service provision that is aligned to community

needs and supported by cross-sector funding. It gives 7-18 year-olds, (and up to 25 for youngpeople with additional needs) affordable access to a broad range of sport, arts and employability services, designed to empower them to lead healthier, positive and more active lives - raising their aspirations for themselves and their community.

The outstanding quality of the facilities is a concrete demonstration of the belief that young people deserve the best. Carlisle Youth Zone benefits from the guidance, direction and support from colleagues and partners across the OnSide network. It is part of a network of 14 Youth Zones. OnSide's role is to provide ongoing support as the umbrella organisation within a federated structure and also to create new Zones, taking our tried and tested model to ever more young people across the country.

ABOUT ONSIDE

It's about opportunity.

Potential is everywhere. In every home on every street, from affluent suburbs to inner-city estates. The difference is that some young people get every opportunity to explore their potential. Others don't.

It's about opportunity.

We're OnSide, a national charity that believes all young people should have the opportunity to discover their passion and their purpose. To find out what they've got and where it could take them.

We fund and build state-of-the-art, multimillion-pound Youth Zones in the country's most economically disadvantaged areas. We train the amazing people that run them. We offer continuing support via the nationwide OnSide Network, where they can learn and grow, share their stories and celebrate their success together.

These are brand new, purpose-built spaces fizzing with energy, and crammed with incredible facilities. They are staffed by skilled and dedicated Youth Workers who truly believe in young people - helping them see what they could achieve, and giving them the skills, confidence and ambition to go for it.

This is life-changing support that helps tens of thousands of young people from a diverse range of backgrounds to thrive.

It's inspiring. It's empowering. And it works.

We know it works because we've been doing it for over a decade and we're in this for the long term. Every new Youth Zone is built on the know-how of the last. Every success story writes the first chapter of the next. And we're just getting started.

This is passionate, properly-funded youth provision, with no ifs or buts. A unique partnership between young people and their community, local authorities' private business leadership, and a growing movement of supporters who believe that how we treat the next generation defines who we are as a society.

Because when we really invest in young people, we all benefit - from who they are now, everything they might become and achieve, and everyone they might touch and inspire.

All they need is the chance to shine - an environment where they can be their best selves - and you just watch them go.

It's about opportunity.

THE ROLE

The dimensions of the role of Youth Zone Chief Executive defy definition in conventional terms. It is strategic and requires effectiveness at a high level, yet at the same time demands very detailed and hands-on management. The Chief Executive will have responsibility for a revenue budget of up to £1m per annum.

A willingness to get stuck into the detail, in an environment without corporate support structures, is therefore as important as the ability to influence effectively at the most senior levels. The Chief Executive's relationship with the Chair will be supportive and challenging, enabling them to deliver on-going success for the Youth Zone. OnSide is involved at Carlisle Youth Zone, both as a Board Member and a support network for the Chief Executives and the Youth Zone teams.

- To work with the Chair and the Board to lead the on-going development of the Youth Zone strategy and plan
- To confirm CYZ as a valued and essential resource throughout the Carlisle community
- To ensure that structures, processes and controls are aligned with that strategy and plan
