WE ARE CARLISLE YOUTH ZONE

Our vision is for all young people to feel seen, valued and heard.

We deliver this through the power of youth work, giving young people space, voice and time to discover their passion and their purpose.

Carlisle was the first city in the country to establish a Youth Zone; a dedicated, purpose-built and unapologetically top notch space for our cities young people.

From the moment we opened our doors in 2011 right through to the present day, we have delivered on an unprecedented scale. Over the last year alone we have:

reached

3,665

young people
(members)

facilitated

39,505

attendances

delivered

921

sessions

provided

2,420

holiday club
spaces

When the Youth Zone is full with young people, as it is 6 days and nights a week, 52 weeks a year, it becomes an incredible space; bursting with opportunity, fun and curiosity, where highly skilled youth workers get alongside young people on their own terms, building positive and trusted relationships which offer support, challenge and inspiration over the long term.

This combination of people and space creates a place of safety, reassurance and belonging, where young people are free to be themselves; to learn, grow and discover things about themselves and others throughout their childhood. Crucially, we are somewhere safe to go, with trusted adults to talk during times of difficulty or challenge; we show up for young people, reliably and consistently, especially for those who need us the most.

**“THERE ARE LOADS OF THINGS I ENJOY AT THE
YOUTH ZONE – FOOTBALL, YOUNG LEADING,
PLAYING POOL, WORKING TOWARDS MY DUKE OF
EDINBURGH’S AWARD, AND USING THE MUSIC ROOM.”**

YOUR SPACE. YOUR VOICE. YOUR TIME.

THE OFFER AND VISION OF CYZ

Many Young People value CYZ as their fun, safe place to go outside of school hours. Our mission with and for them is to harness the power of youth work so that young people have space, voice and time to discover their passion and purpose.

We have the benefit of a purpose built facility with a wide range of facilities and resources. Our universal youth offer of 7 Youth Clubs a week, 52 weeks a year, acts as the gateway through which young people can build the trusted relationships with our Youth Workers that when combined with a breadth of activities including arts, music, sports, cooking and enterprise, ensure our programme is educative, expressive, participative, inclusive and empowering.

Complementary to this universal offer is our Targeted Youth Engagement support, delivering a range of focused programmes including Young Carers, LGBTQ+ Youth Committee, Mentoring, Green Social Prescribing and Holiday Activity and Food programmes. Our programmes consistently achieve measurable impact across confidence, emotional wellbeing, social skills, aspirations, and physical and mental health - generating £17 of social value in terms of young people's wellbeing for every £1 invested.

DURING 2025 TO 2027, WE WILL...

Deliver a dynamic, fun and contemporary youth work offer which, alongside trusted partners, engages a diverse and growing membership of young people.

To be a beacon of rights-based Youth Participatory Practice and Leadership within CYZ, and in the networks and platforms we hold space in.

Advance our commitment to inclusion, proactively prioritising opportunities and action with young people experiencing the impacts of poverty, discrimination, marginalisation, and/or injustice.

Establish CYZ as a safe and welcoming hub of opportunity and support for young people, uniting a community of services who share our values and vision.
